

So Kurorat
has met with
that man,
has he?

The gold
mobile
weapons...

This
probably
won't end
quietly.

And there's
the matter
of that
[Doll] as
well...

Would you
go in my
stead, Crow?

I'll be

I'll go bring

Episode 9
"Black and White"

Well then, let's get
on with the next song

さあとなとみ
次の山へと
いつてみまじようか

The gold
mobile
weapons...

So it is
you after
all, huh

Ladies
and
Gentlemen!

The
Gold
Saws!!

The main
body of
the
Mayoral
Force.

I hope you
enjoyed my
entrance,
everyone!!

That
voice...

...

To be
more
precise...

By
whose
orders
...?

Mayor of
Dark City,

JudgeTM
Andercroster

No.100

シャッシー=アンダクルスター

ランク AAA

NP 750000

It's been
a while!!

Eh, Kurora!
=Jip=
Clock!!

The most
influential
person in
Dark
City

He didn't
find out
about my
mistake,
did he?!

Knight
member
#100

.....

it's been some
time, Mayor Judgen
Andercruster

I was just
chasing after
the [Doll], but...
this is better
than I could have
possibly hoped!!

Oh man, to think I'd
have the fortune to
run into you like this!

Well,
a bit.

Doll? So in other
words, you're also
interested in that
transport vehicle—
is that what you're
saying?

Hm,
Kilam,
please
be quiet

Kuro
kun?

but, I never
heard that
you were
acquainted
with the
mayor?!

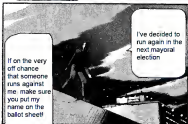

I knew you
were well
connected
Kuro-kun,

That should be
the case.
Since I'm sure
that I never
told you before.

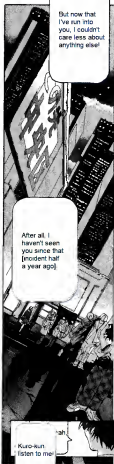

Hey, let me tell
you something,
Kuroat!!

Whoa.....

If on the very
off chance
that someone
runs against
me, make sure
you put my
name on the
ballot sheet!

I've decided to
run again in the
next mayoral
election

But now that
I've run into
you, I couldn't
care less about
anything else!

After all, I
haven't seen
you since that
[incident half
a year ago]

Kuro-kun,
listen to me!

ah

Understood. I'll make sure to write your name on the ballot before I toss it in the trash then.

Haa... You've already been mayor for 10 terms now...

...so even after you've imposed every sort of tyranny imaginable, you're still not satisfied, hm?

Is that so...?

Guess I have to open up.

Anyway... I'm glad that I could see you once again, Kuroarashi!

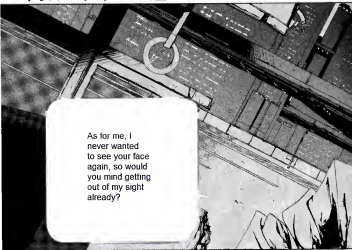

Will it be ok? If I let these two (meet again)

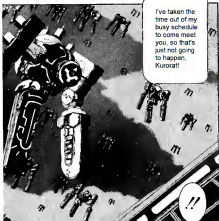

This could be bad...

As for me, I
never wanted
to see your face
again, so would
you mind getting
out of my sight
already?

I've taken the
time out of my
busy schedule
to come meet
you, so that's
just not going
to happen,
Kurora!

!!

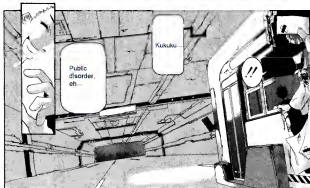

Hey
come on!

Busy....?

You shouldn't
be wasting time
messing around
like this, right?

The city's
been getting
more and
more chaotic
by the day.

Kukuku....

Public
disorder,
eh...

Public disorder
and people's anxiety are
inbred, you see?

And when people
get scared, they
really tend to
stick together!

— and so
you're using
that to enforce
your power
to govern?

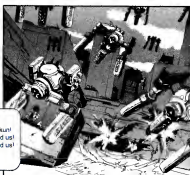

So shouldn't
you hurry up
and go on
your way?

Nah,
there's no
problem!!

Hm
?

Since I've
been doing
all that on
purpose!

And crushing
any and all
who might
stand in your
way.

Manipulat-
ing things
however
you
please...

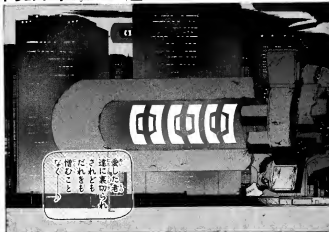

Doing
absolutely
anything
to attain
your goal...

I just can't
accept your
methods

Wah—!!
You're on the
wrong lane,
Kuro-kun!!

*Even when betrayed by those he loved,
he remains free from hatred—*

Shall I return those
words you said
to me earlier?

You see, I
understand.

In the end,
you and I are
the same.

and also
crushing any
and all who
might stand
in your way,

doing absolutely
anything to attain
your goal,

Manipulating
things however
you please,

—No!
Even worse
than me!!

You're
exactly
the same
as me!!

I...I am not...
I'm nothing at
all like you....

Don't you
dare spout
that bullshit
at me...!

it's
not...

.....

Devouring others
for the sake of
your own dream,

Hurry up and
go back to
your estate...

Leave

And you
should be
out of
options.

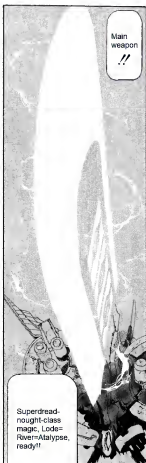

Aim
!!

—?!
That
crazy—

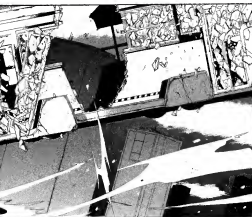

Main
weapon
!!

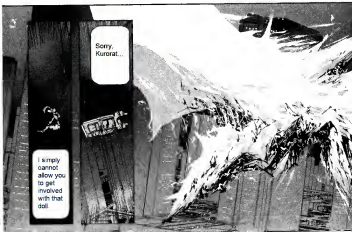

Out of
options
now?
Hmph!

From what
you've told
me, I am
someone
who has but
one choice,
don't you
see?

Superdread-
nought-class
magic, Lode=
River=Atalypse,
ready!!

As I thought,
there must be
some sort of
connection to
Dream Gold

Ah
